

Impossible Pies

The Tampa Tribune

Notes

This card contains general tips and guidance for making Impossible Pies using Bisquick, rather than a complete standalone recipe.

- Impossible pies call for Bisquick, which was developed in 1931.
- Spoon the biscuit mix into a dry-ingredient measuring cup and level with a knife. Do not pack or tap cup.
- To increase servings, double ingredients and bake in two pie plates. Or, pour into a 13x9" dish and bake 10 minutes extra.

IMPOSSIBLE PIES

THE TAMPA TRIBUNE

Impossible pies call for Bisquick which was developed in 1931.

Spoon the biscuit mix into a dry-ingredient measuring cup and level with a knife. Do not pack or tap cup.

To increase servings, double ingredients and bake in two pie plates. Or, pour into a 13x9" dish and bake 10 minutes extra.
