

Gourmet Treat for Feathered Friends

Recipe from the kitchen of Ann - Montana

Ingredients

- Birdseed cookie (handmade with all natural ingredients)
- Millets
- Wheat
- Sunflower seeds
- Calcium Carbonate Pellets
- Vitamin A Supplement
- Vitamin D-3 Supplement
- Potassium Iodine
- Vegetable Oil
- White Glue

For refreshing/recoating:

- Honey or peanut butter
- Additional birdseed

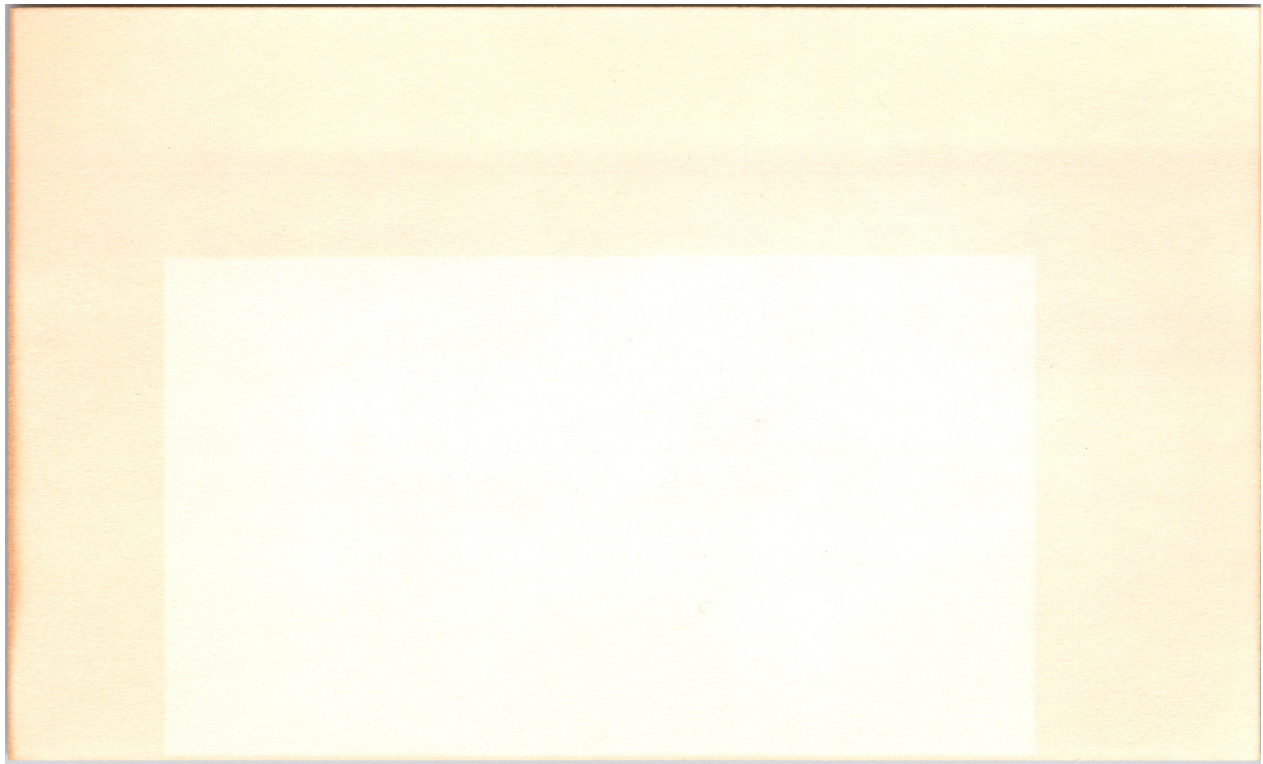

Instructions

1. Hang or stake the birdseed cookie in an area away from any other feeder.
2. Cardinals, Chickadees, Nuthatches, Finches and more will be attracted to the cookie.
3. When the birdseed is gone, cover the shape with honey or peanut butter.
4. Re-coat with birdseed and reuse again and again.

GOURMET TREAT FOR FEATHERED FRIENDS ANN-MONTANA

Simply hang or stake in an area away from any other feeder. Cardinals, Chickadees, Nuthatches, Finches and more will be attracted to the cookie.

When birdseed is gone, shape can be covered honey or peanut butter, recovered with seed and used again and again.
