

Noodle or Rice Soup

Ingredients

- Leg bone or any kind of soup meat
- Onion
- Celery
- 1 can tomatoes
- Noodles or rice

Instructions (Partially Inferred)

1. Combine leg bone or soup meat, onion, celery, and canned tomatoes.
2. Add water just to cover the ingredients (~2 quarts).
2. Cook on low until meat is done.
3. Add noodles or rice.
4. Add any other vegetables you have in your refrigerator.
