

Swedish Love Knot Legend

Recipe by J.L.B.

Editor's Notes

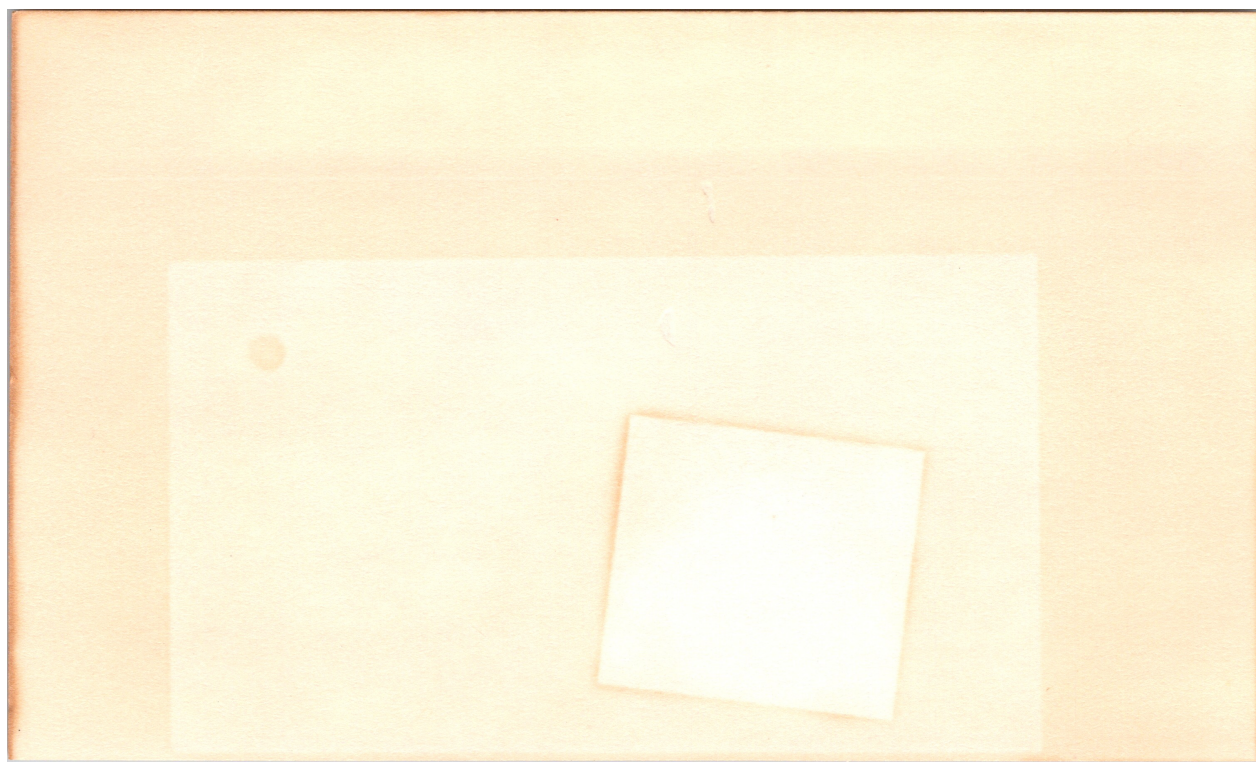

This is not a recipe card in the traditional sense. The card contains no ingredients, no quantities, and no instructions. It is a product hang tag sold through Cracker Barrel (spelled "CRACKER BARRELL" on the typed reference card) for a decorative item called a "Swedish Love Knot," accompanied by a two-line folk legend or motto: *"In every home where I am found / Love and happiness will abound."*
